Please help me in my quest to constantly improve my classes by answering the following questions as conscientiously and specifically as possible. I will carefully consider your remarks after the semester is completed to help me prepare for next semester’s classes. Please attach additional pages if needed. Thank you.

1. What do you like most about course content?

2. What do you like least about course content? Please give specific suggestions for improvement (e.g. take out this lab/lecture/assignment and put in this one instead).
3. What do you like most about your instructor?

4. What do you like least about your instructor? Please give suggestions for improvement.

Overall, what grade would you give this instructor? (Circle the grade)
